

THE GROW ONE CHALLENGE...TAKING THE NEXT STEP

Consecration Sunday, October 28, 2007

Members of the Church Council/Board of Directors will receive invitations in the next few weeks to participate in various events leading up to Consecration Sunday. The step of faith that White Plains will be taking for the next year will not be the "old" requesting financial contributions to "pay the bills" or "support the budget." This year's focus, for each member, is on "What is God calling me to do?"

Our goal is to secure a promise from every church member and regular worship attendee to participate in Consecration Sunday by attending

A. Morning worship on Consecration Sunday, October 28, 2007.  
Rev. Jerry Smith will be the Guest Speaker for all three services.

B. The Celebration Luncheon will be immediately following worship. The luncheon will be FREE. No speeches other than thank the Members of White Plains for their Stewardship support during 2007. Our goal is to get the member or worship attendee to attend. This does not include asking people for a financial commitment or being concerned about the amount they decide to give.
