Safe Sanctuaries

[Click here to download our Safe Sanctuary Policy](#)

3. Parsonage repairs ... new dryer and dishwasher were installed (old ones dead!!!)
4. Handicapped door openers installed at CLC and Sanctuary restrooms ...

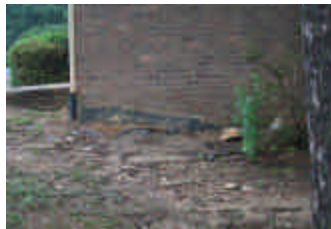

5. Sunday School “cleanup effort” ... classes responded with enthusiasm. cleaning, painting, wall pictures, and even a new rug ...

6. Other planned or ongoing actions

- a. Explore (with the music folks) what to do with organ repairs/upgrades ... how and when
- b. Considering major cleanup effort at Warren Ave property ...

- c. Surveying the storage areas in our facilities ... trying to “free-up” some space
- d. Transportation ... repairing damaged bus and van (AC and oil leak)
- e. Yard work at Annex ... washed area and poor drainage in back

- f. Upgrade building storm water drainage pipelines on Ralph Drive side of Sanctuary
- g. “Family Restroom” on hold until Cary code issues are explored and resolved
- h. Plans for WIHN shower and washer/dryer in CLC basement are on hold this year
- i. Repairs to Children’s Center play equipment ... some accomplished ... more needed

- j. Expansion of handicapped parking ... some walkways installed, others planned (need helpers), and interactions initiated to get City of Cary approval to remove most of the “island” and add 3 to 5 new parking spaces
